

## BCA FBWA MONTO SHIKISHO SALE

These beautiful monto shikisho were originally designed by Satsumaya, to commemorate the 2019 World Buddhist Women's Convention in San Francisco, as the official monto shikisho of the BCA Federation of Buddhist Women's Associations. The blue background of the fabric signifies the Pacific Ocean; and the Golden Gate Bridge and California poppies signify the establishment of the first BCA Buddhist Women's Association in San Francisco in 1925.

As FBWA moves toward celebrating its 125<sup>th</sup> year in 2025, we would like to encourage everyone to purchase these beautiful monto shikisho to commemorate our legacy. **The price has been reduced to \$30.00 each including shipping.**

Funds raised from selling these remaining monto shikisho will be used to defray the costs of the 2024 BCA FBWA Conference in October of 2024. We still have a significant number left and we would like to recover some of the costs.

They make wonderful welcome gifts for new members.

If you are interested in purchasing these monto shikisho, please complete the attached form. The price includes shipping. Bulk orders are preferred, but we will honor individual requests.
